## ART CLUB

## WESTON COMMUNITY PROJECT

We will be meeting every Tuesday in Weston between 7.00 and 9.00. This is not an Art Class, but a means for local artists\* to meet together and to enthuse and encourage each other. We are hoping to organise guest tutors, occasional gallery visits and regular exhibitions.

Our first 'proper' club meeting will take place on Tuesday 17 April. There will be a demonstration of mono printing by Ros and a still life for you to have a 'go' at if you wish. Bring your own materials and any ideas you might have as to how the club might develop. If you would like more details please just give Irene (01295 768104) or Ros (01295 768917) a ring.

\*There will be experienced artists at the Club but (by our definition anyway) an 'artist' is anyone who has ever picked up a brush or a pencil or a pen and felt the desire to create something beautiful. Some materials will be available as well as plenty of advice for those who would like it.

SUBSCRIPTION: We anticipate a cost of about £3 a session to include tea/coffee and Room Hire
