Helmdon Bridge Players

Our group was formed 27 years ago with the aim of staging a village panto. Since then we have entertained the village to an annual panto which has become part of the fabric of village life and a reliable gatekeeper to the Christmas season. A huge amount of preparation is required to bring this panto to the stage....including moving, transporting and building the stage itself! Our technical expertise has improved year on year and gone are the days of banging coconuts together. Thanks to the generosity of Sue Wallace (one of our founder members) we now have our own lighting rig. We are happy to welcome allcomers who want to tread the boards or help backstage . If you would like to join us, contact Becky on 760670.

We are very grateful to Sue Wallace and Peter Burns who offer us storage space at their farm, to the Sports Club who house our container at their ground and to Paul Duncombe who generously provides transport to move our larger items around the village. We are delighted that you, the audience, support us and that a good number of village children are so keen to tread the boards each year.

We wish you all a Merry Christmas and Happy New Year.

The Story

Cinderella's daughter and Snow White's son are about to get married, thus banishing evil from Pantoland for ever! Hurrah!!

However, the wicked witch Evelyn has other ideas and hatches a plan to prevent this from happening. Boo!!

She sends Princess Lottie and her two assistants Nick and Nack to the very edge of Pantoland and whilst they're lost and trying to make their way back home Prince Marvellous, his friend Jack and Gertie the cook set off from the castle to save her.

As their adventures unfold they meet many familiar characters from different stories along the way, some helpful and others not so, the unhelpful being sent by Evelyn to keep Lottie and Marvellous from re-uniting.

Will they ever find each other and live happily ever after? We shall have to wait and see.....

You are required to join in the fun! Baddies must be boo-ed and hiss-ed and goodies must be cheered.

ACT 1
